

# JEN STELLA MARTELLE

SOFTWARE ENGINEER  
SPECIALIZING IN FRONT END WORK

## ABOUT JEN STELLA

I am a Full Stack Developer with a passion for front end and design. Some of the skills I bring to my role include attention to detail, time management, effective communication, and the ability to see the bigger picture and how parts come together – skills I've honed over the past 10 years while working in social work, marketing operations, and hospitality. I am driven by the creativity that comes with designing the user's experience, matched with the functionality to bring it to life and am eager to continue to learn and grow as I start this new professional chapter.
